Finding **HOPE** Foundation

How We Started

The Finding Hope Foundation, the charitable organization that hosts the **100 Holes of Hope Golf Marathon**, is an Ottawa based foundation. It was created in 2012 from the desire to help those in the Ottawa area living with the life-threatening and debilitating effects of cystic fibrosis (CF) and mental health issues.

It was inspired by the noble and heroic efforts of **Emilie Joinette**, who battled with CF throughout her too-short life, and died in 2009 at the age of 23. A survivor of two double-lung transplants, her relentless fight and never-give-up attitude inspired everyone who was graced by knowing her. She was an advocate for the needs of those living with CF, thus it is in her name that the **Emilie Joinette Inspiration Fund** was created to supplement and develop new patient-focused healthcare and support programs at **The Ottawa Hospital Adult CF Clinic**.

As our event grew in popularity, we cast our eye to supporting other local and national causes, and became intimately acquainted with the needs of those afflicted with mental health challenges. For this reason, in 2014, our Foundation expanded its causes to include the **Royal Ottawa Foundation for Mental Health** and most recently **Cystic Fibrosis Canada**.

Most importantly, the Finding Hope Foundation is about hope. It's about providing an opportunity for like-minded, giving people to come together to help those in need in our community.

Margaret Mead once said:

"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has."

And while we might not be changing the entire world, we have been able to help improve the worlds of many in our community thanks to the generous support of our Warriors, sponsors, pledgers and volunteers.

Game-Day Format

Our game consists of 5 rounds of golf with 20 holes per round. **Two balls will be played on holes 7 & 9 each round.** Play begins at 7:15 a.m. with each team teeing off on their assigned starting hole. Once you've played hole #18, proceed to #1 and continue play until you've completed 5 rounds of golf or until 6:30 p.m., whichever comes first. It's not mandatory to play all 100 holes.

We play 'HURRY-UP GOLF', **NOT** 'SPEED GOLF', so there is no need to run. If you follow our guidelines on how to play 100 holes (*next page*) and use our time chart, which will be in your cart, you will play 100 holes in approximately 11.25 hours. Three-foot gimme putts (*length of a regular putter*) are allowed, but your playing partner must determine your gimme. When you have been given a gimme, it means your next shot is given, but it does count as one stroke. Don't spend too much time looking for lost balls. Out of bounds or lost balls will be played as a lateral (*where the ball was lost or went out of bounds*) with a one stroke penalty. There are no mulligans. **And please let faster players play through.**

Pace-of-Play

There will be a *Time Chart* posted in each cart which indicates the approximate start time for each of your 5 rounds. These times are guidelines and will help you manage your time in order to finish by 6:30 p.m. It's not mandatory that everyone play 100 holes, but most see this as a challenge and we need to ensure they have the opportunity to finish in the allowed time. Marshals will be on the course to ensure everyone is respecting the Pace-of-Play rules.

Start Times for Each Round:

1	7:15 am
2	9:20 am
3	11:30 am
4	1:50 pm
5	4:10 pm

Pace-of-Play

If the group behind you is waiting, allow them to tee-off with you at the first available tee block. The four of you should tee off together and then let the faster group continue on from their second shot. *Make sure they're clear before you continue.*

Playing Tips

- ✓ Play out of turn – first one ready, swing away.
- ✓ Tee off with your teammate and then drive to your ball immediately and hit when ready. *Always be aware of where your teammate is!*
- ✓ Triple bogie's are the most you can score.
- ✓ Lost ball or out-of-bounds is played as a lateral with a one stroke penalty.
- ✓ Three foot gimme putts are allowed.

Follow the Rules of the Course

- ✓ Respect the power cart paths and signs.
- ✓ Replace all divots.
- ✓ Repair all pitch marks on the greens.
- ✓ Drive your power cart safely and responsibly.

Letting Faster Players Play Through

If the group behind you is waiting, allow them to tee-off with you at the first available tee block. The four of you should tee off together, then let the faster group continue on from their second shot. **Make sure they are clear before you continue.**

How to Play 100 Holes of Golf in One Day

In order to play 100 holes of golf within 11.25 hours, you'll need to play quickly. This is not 'Speed Golf', so there is no need to run. Play at a quick, steady pace, without your regular preshot routine. You'll also have to abandon some traditional golf etiquette rules, such as:

- ✓ Play out of turn – first one ready, swing away.
- ✓ Address your ball quickly and take **only one** practice swing.
- ✓ Take a nice, easy swing. We're playing from the whites so you don't have to hit the ball far.
- ✓ Tee off with your teammate, but after that, drive to your ball immediately and hit when ready, as long as you're not in each others way. **Always be aware of where your teammate is.**
- ✓ Triple bogie's are the most you can score. If you're shooting for anything more, pick up and move on.
- ✓ Spend no more than 30 seconds looking for a lost ball.
- ✓ Lost ball or out-of-bounds is played as a lateral with a one stroke penalty. No mulligans.
- ✓ Three foot gimme putts are allowed (*length of a regular putter*) and given by your playing partner.
- ✓ You **MUST** let faster players play through.
- ✓ And please, always follow the rules of the course:
 - respect the power cart paths and signs
 - replace all divots
 - repair all pitch marks on the greens
 - drive your power cart safely and responsibly

Scorecard (20 holes per round)

There are 5 rounds with 20 holes per round. **Two balls are to be played on holes 7 & 9 each round.** Our custom cards allow you to keep all your scores on one card. We have a Shotgun format and each team starts on their assigned starting hole at 7:15 a.m. In this example, the starting hole is **#14** which means your round ends on **#13**. Add your scores and indicate how many birdies you had and how many balls you lost. One point for birdies and two for eagles. Hand your cards into the Proshop.

* To qualify for the low score, birdies, lost balls and most honest golfer, you must have played all 100 holes.

Tips for the Day

It's a long day and it could be hot, so stay hydrated and **DO NOT** continue if you're not feeling well. There will be a Warrior Hotline number in the cart if you need assistance, so it would be a good idea to bring your cell phone. Two marshals will be on the course to manage pace-of-play and snacks and beverages will be available at the half-way house between the front and back 9's.

In order to finish 100 holes in the allowed time, you need to play quickly (*refer to page 8*) and you must let faster players play through.

It would be a good idea to bring a few extra things, such as Advil, lots of balls and tees, rain gear just in case, a towel, a change of clothing, etc. There are a few showers at Stonebridge so maybe some grooming items for after the round.

Drive safely, swing easy and always be aware of where the other golfers are.
